

PwC Legal

A multidisciplinary
Law Firm.

PwC Legal
A multidisciplinary Law Firm

“

I believe our key differentiator is that we operate in a unique segment. We have this distinctive capability of combining legal expertise with the broader lens of a business approach. We provide both traditional as well as more innovative legal solutions to be integrated into any full-cycle project.

Olivier Hermand

Managing Partner

A multidisciplinary **Belgian Law Firm**

PwC Legal is a multidisciplinary Belgian Law Firm providing a full range of legal business solutions.

We belong to the broadest geographical legal network in the world, with more than 3,500 legal professionals in 90 countries.

We believe in the power of legal business solutions to solve our client's most significant challenges and take on the future.

Our passionate team offers a full range of traditional legal services and new legal solutions, combining our legal expertise and sound business understanding in Belgium and beyond.

Business **Oriented**

Today's client challenges go beyond a legal point of view. They need a legal advisor who understands your business and sees the bigger picture. From forecasting the impact of regulatory, economic and political shifts, to navigating social and technological changes, we view your challenges through a wider business lens. The result is integrated, practical advice that guides you to the right strategic decisions to achieve your goals.

Working with PwC Legal is about more than just the quality of our legal advice. It's about connecting legal insight, business understanding and technological innovation, leveraging on our close collaboration with PwC's experts.

Connected **Expertise**

As part of the global PwC (Legal) network, we bring our connected expertise to bridge all aspects of your business so you can grow and protect it, today and tomorrow.

Working with us is about harnessing the power of PwC Legal's global reach, local presence and industry depth to chart a future-ready path to success.

Technology **Innovation**

The legal industry is facing unprecedented change. Advancing technology, new business models and evolving client expectations are altering the entire value chain.

At PwC Legal, we understand the forces driving those changes and are embracing legal technology (LegalTech) to uncover the greatest opportunities for our clients and for us. This is fully part of our 'New Law' agenda.

It's all connected.

Our Practices

Our expertise in business law, employment law, public law and tax law allows us to address your most daunting challenges in a fast-evolving world. From non-profit and governmental organisations to international networks, from start-ups to corporates, we'll combine our legal expertise and sound business understanding to guide organisations through all aspects of the public and private sector's legal and commercial issues, in Belgium and beyond.

Human led. Tech powered.
